

CISONECC Internal Review and Planning Meeting

CISONECC conducted a two-day internal review and planning meeting in January, 2020, in Salima District. The meeting was aimed at reviewing the 2019 CISONECC *Climate Challenge Programme Malawi* (CCPM) – *Climate Justice Advocacy Project* (CJAP) and other CISONECC programmes developing consolidated work plan for the year 2020 for CCPM-CJAP and other projects that CISONECC is implementing; and to reorient staff members on various CISONECC policies, strategies and donor requirements. The CISONECC internal review and planning meeting was supported with funding from Scottish Government, through Trocaire and SCIAF under the CCPM.

The immediate outcomes of the meeting were: development of revised CCPM 2020 work plan based on the 2019 experiences; the development of a consolidated CISONECC work plan for various projects and activities for the year 2020; and re-orientation of CISONECC Staff members on policies, strategies and donor requirements.
